

**1st INTERNATIONAL CONGRESS ON INSTRUMENTATION AND
APPLIED SCIENCES ICIAS
CANCUN, QUINTANA ROO, MEXICO
FROM OCTOBER 26 THROUGH OCTOBER 29, 2010**

POSTER PRESENTATION INSTRUCTIONS

The poster presentation will be held on Wednesday 27 and Thursday 28, in accordance with the conference program
http://somi.ccadet.unam.mx/icias2010/full_program.html

For easy location of the corresponding poster panel, the paper ID number of the contributed paper will be displayed at the top of each board.

Size of posters should be 90 cm. /35.4" width by 110 cm. /43.3" height. We suggest presenters affix the poster to the panel with double-face tape at least half an hour before the corresponding poster session.

Authors are requested to deliver the poster presentation with the greatest possible care and to try to balance written and graphic contents. The minimum recommended font size is 24 points for the title and 20 points for the text. Quality of the images and/or graphics that are presented should also be taken care of.

*Thank you for participating.
